Let's make things better.

PHILIPS **MAGNAVOX**

Picture

Digital Prepared Connections

Supports virtually any digital device on the market through a range of connectors including Component Video, S-Video, and video inputs.

MagnaBrite™ Lenses

Using Delta 77/88 lens, the undisputed industry standard in optics, the MagnaBrite Lens system achieves more consistent edge-to-edge brightness and contrast with a dramatically reduced focal length—result is crisp, well-defined large screen images and slim cabinet design.

Incredible Picture™

Creates a remarkable increase in clarity and sharpness at the point of transition from dark to light areas of the video image for a picture so sharp and well defined that you'll never want to go to the movies again.

Wideband Video Amplifier

3-Line Digital Comb Filter

SmartScreen™ (Contrast Enhancement Filter)

Multipoint Convergence

Black Stretch

Dynamic Blue Stretch

Remote Control

Universal TV/VCR/DVD/DBS/Cable Remote

Controls all features and functions of this monitor/receiver with direct menu access plus activates Smart Window™ PIP with Action Freeze, Position and Swap; and exclusive SmartSound™ and SmartPicture™ options. This remote also controls all important operating features and functions of virtually all infrared VCRs, DVDs, Digital Broadcast Systems, and on/off and channel up/down on most cable converter/decoders. (Remote # Y149SEAA01)

Convenience

SmartLock™

Protect young children from harmful programming with V-chip technology based on the Motion Picture Association of America (MPAA) and the network television rating systems.

Two-Tuner PIP

Enjoy all the benefits of Smart Window™ PIP without a VCR! You can tune to your favorite show with tuner one, for example, while scanning other channels with tuner two in the PIP window. The A/V inputs are also available as PIP sources so all functions of standard PIP are still accessible.

Side A/V Jacks

For easy connection of external video sources (VCR, camcorder, or video games), side audio/video input jacks are quick and inconspicuous.

PIP Audio

Allows you to enjoy the audio portion of the telecast selected for the Smart Window™ inset or with the audio portion of the main picture telecast.

SmartPicture™ w/Personal Preference Channel Label
